THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
WEDNESDAY, MARCH 25th, 1970

County Councillor Robert Bailey rises to answer a question during the annual meeting of Parkland ratepayers in the Frank Maddock High School auditorium last Saturday.

Recreation Target for Criticism At County Ratepayers' Meeting

Recreation was the most contentious issue raised at the annual meeting of Parkland County ratepayers held in the auditorium of Frank Maddock High School in Drayton Valley on Saturday, March 21st.

About 60 ratepayers were present for the school portion of the meeting held during the morning with a like number on hand for the county business session during the afternoon.

A motion to have the county break away from the Regional Recreation Council provoked the most prolonged debate during the day. Although the motion lost in resounding fashion, discussion prior to the question revealed a considerable degree of unhappiness with the recreation set-up. High administration costs were the chief target for criticism.

Opponents of the recreation scheme were highly critical of many phases of the operation, but supporters were equally enthusiastic in its defence.

County representatives pointed out that last year was the first attempt at regional recreation and that improvements in areas of criticism will likely be worked out as the organization matures.

Cost of recreation, at one mill, also drew comment but it was pointed out that with 3,000 enrolled in recreation undertakings, the one mill expense was not out of line.

A motion was carried that at the next general election a plebiscite be held to determine the fate of recreation in the county.

Another item of considerable discussion was the format of the auditor's statement mailed to all ratepayers prior to the annual meeting.

Difficulty encountered by laymen in attempting to understand the auditor's statement was cited as the chief objection to its present form. County spokesmen agreed that an easy to read, concise statement would likely be more popular.

The meeting voted in favor of the distribution of such a summary of affairs of the county rather than the present statement. It was noted that the present statement would still be required by the Provincial Government but an Auditor's summary would be possible.

The meeting was chaired by Maurice McCullagh of Rocky Rapids with Otto Schuster as secretary. Elected officials of the county and school committee, along with supervisory staff members were present for the meeting, as were M.L.A. Ralph Jespersen and former M.L.A. Mrs. G. R. Woods.

Financial picture of the county was reviewed from the Auditor's statement by Secretary-Treasurer Otto Schuster and evoked only a small amount of comment.

REEVE'S REPORT

Former Reeve Rudolph Zander presented the reeve's report. He noted that the first full year as a county had proved most interesting and active.

Several other commitments forced Mr. Zander to retire from the reeve's post late in the year and he was succeeded by the present reeve, Mr. Les Miller of Spruce Grove.

Mr. Zander, as an indication of the busy year experienced, noted that building permits in 1969 totalled a value of $1,643,282. a total of 552 parcels were created by subdivision which makes the total area subdivided 7,672 acres.

Roads were again a major consideration of Council last year and good progress was reported although inclement weather from July through October delayed many projects.

Mr. Zander noted that a total of 30 3/4 miles of oiling for dust control was carried out; 416 1/4 miles of roads were gravelled; 31 3/4 miles were graded and regraded; and 57 damaged culverts were replaced.

Referring to the huge Calgary Power development on the south shore of Lake Wabamun he said good progress was made and the first phase should come into operation early in 1971.

SCHOOL COMMITTEE CHAIRMAN'S REPORT

Reporting for the school committee Councillor Robert Bailey noted that one of the first duties undertaken under the county set-up started January 1969, was the negotiation of Teacher's salaries. Negotiations were completed in May with an average increase to teachers of slightly over six percent.

Mr. Bailey remarked that negotiations for the 1969-70 year started in October without reaching an agreement at the end of the year.

The committee, he said, set its first budget early in the year and ended with a small surplus.

The problem of improving

(Cont. on Page 2)

Carnival Plans Moving Briskly

The Rotary Club and the Figure Skating Club are marching ahead with preparations for the Ice Carnival on April 10th and 11th.

The skaters are busy practicing their numbers while the mothers are working carefully with the costuming committee to turn out the many costumes that will be worn at this year's performances. There will be two evening performances this year as well as a Saturday Matinee.

A general meeting of the Figure Skating Club will be held on April 2nd at 8:30 p.m. in the Council Chambers.

There will be no figure skating practices Easter Weekend. Practices, however, will resume again Easter week. Skaters and parents are asked to check the bulletin board at the arena for practice times.

There's never a shortage of baby sitters for minding other people's business.

Door Left Open for School Negotiation

The possibility of a new high school in Drayton Valley now appears to hinge on the degree of participation the Provincial Government will receive from the town in helping to pay for a facility that would serve as a school during the day and a community centre following the school hours.

Mr. Ralph Jespersen, M.L.A. for Stony Plain Constituency announced the Provincial Government's offer at the annual meeting of Parkland County ratepayers in the Frank Maddock High School Saturday.

Mr. Jespersen reviewed events leading up to the government decision last week. Representatives of County and town, along with Mr. Jespersen, met the Minister on several occasions in an attempt to secure a new school rather than the eight or ten room addition to the Frank Maddock High proposed by the School Buildings Board. Negotiations with the Minister started in December following a statement of need for a new school made earlier by the County School Committee.

Mr. Jespersen pointed out that the School Buildings Board still favors the addition of 38,885 square feet to the present building at a cost of $678,045., but has left the door open for negotiations on the possibility of an entirely new school of 52,205 square feet at a cost of $887,485.

Provision of a fifth auditorium in the town was one of the reasons cited as an obstacle in the way of building a new school, however, if a portion of the building costs were borne by another source this would help to remove a source of objection by the Provincial Government.

Mayor Tom Johnson, stated at the meeting that Town Council has in the past indicated a favorable attitude towards the conception of dual-purpose school buildings. In his opinion, he said, the proposal outlined by Mr. Jespersen would be studied with considerable interest by Town Council.

At several times in the past the joint school-community centre undertaking at Spruce Grove has been introduced at Town Council meetings and progress observed with considerable interest. In the Spruce Grove agreement, the community was responsible for raising somewhere in the neighborhood of $66,000. toward the cost of new school.

The new school, if it is built, would contain eleven classrooms, three science experience classrooms, four ancillary rooms, a library, home economics room, industrial arts room, physical education floor space and stage, showers and dressing rooms, physical education office, administration centre, staff space and an infirmary.

The addition considered for Frank Maddock High consists of eight or ten more rooms and an extension of the gym facilities.

Police Situation Still Uncertain

The policing picture in Drayton Valley changed again quickly this week with receipt of a letter from V. M. Seppala, Commanding "K" Division, advising that with Drayton Valley's growth from a population of 3,326 to 3,471, a five-member R.C.M.P. contract would be desireable, and one of less than four would not be approved.

At its last regular meeting on March 12th Town Council voted in favor of asking the R.C.M.P. to assume policing of the town commencing April 1st.

Mayor Tom Johnson reported that in an interview with Inspector Wall, under who's jurisdiction this community will fall, it was stated that R.C.M.P. services would be available on an "emergency" basis on April 1st. An alternative would be to carry on with forces of the Canadian Security and Police Academy until an R.C.M.P. contract was entered.

The "emergency" takeover would involve bringing in one more man to augment the present detatchment and utilizing the services of two members of the Canadian Security and Police Academy. All would be under the direction of the R.C.M.P. Corporal and full responsibility assumed by the R.C.M.P.

Council opinions favored the immediate change rather than the first alternative and authorized a letter to the R.C.M.P. expressing this intent.

As well as the four-man force, the letter also suggests the provision of clerical services.

"K" Division in Edmonton has applied to Ottawa for authority to alter the existing building in Drayton Valley to provide space for a Town Detail, but approval had not been received at the time of the Council meeting.

Commander Seppala of "K" Division indicated that he did not anticipate that approval would be withheld, but that a formal contract with the town could not be entered until the approval was given, other than under the emergency qualification which is as a rule entered into only in special circumstances.

In closing, Commissioner Seppala notes, "as you can see there are a number of problems that must be resolved before we will assume reponsibility for policing Drayton Valley. These may take considerable time, in the meantime, it is suggested that you do everything in your power to maintain your present police services.

However, Commissioner Seppala's letter, which arrived Monday of this week has not yet been discussed by Council and will likely be reviewed at the regular meeting on Thursday of this week.

COUNCIL BRIEFS ON PAGE 6

Bill Tuttle Seeks P.C. Nomination

Mr. Bill Tuttle, Town Engineer for Drayton Valley has announced his candidacy for the Progressive Conservative Nomination in the Drayton Valley Constituency.

Mr. Tuttle, President of the Drayton Valley Progressive Conservative Association, transferred the chairmanship to Mr. Al Chesterman of Drayton Valley in order to seek the nomination.

The nominating convention has been set for 8:00 p.m. April 16 at the Elks Hall in Drayton Valley. Peter Lougheed the Provincial Leader is expected to be the guest speaker.

Jackpot Won Again Monday

It happened again'. After five numbers were called at Monday evening's Legion Bingo, Lloyd Metz cleaned out the jackpot of $100.

Mr. Metz's win brings the total to four successive weeks that the jackpot has been won. Bob McGregor, Legion Bingo Chairman, has gone back to the bank for more of the long green, and the jackpot goes back to $100 for next Monday.

2014.18.91B

Arrives in Japan

Mr. Roy Burrows of Drayton Valley receives some last minute tips on Expo '70 from Japan Air Lines hostess, Miss Kasai. Mr. Burrows was among the 130 members of the Datsun-Canada charter flight which departed Vancouver March 15 for Tokyo. He will be the guest of Nissan Motor Co. Ltd. of Tokyo and will tour their facilities. Highlighting his tour to Japan will be a visit to Expo '70 which opened at Osaka, March 15th.

Gainford Firm Receives Fort Edmonton Order

Laboris Lumber Corporation Ltd. of Gainford, Alberta have received the order and green light on materials and services for the se second stage of Fort Edmonton. Last summer the firm supplied materials for the first stage being the pallisade walls and bastions.

Meterials for the second stage are for completion of pallisade walls and an Indian House measuring 19 by 91 feet. Money for this particular building was donated by the Hudsons Bay Co.

Fort Edmonton is located on approximately 600 acres along the North Saskatchewan River immediately south of the Quesnel bridge. Most of the building timbers are hand hewn for authenticity, poles and kingposts are hand peeled and roof shingles are hand split.

The firm is looking for about 15 to 20 broadaxes and anyone in the Gainford area may bring them in to Spruce Lumber Co. Ltd. and trade for a brand new wood axe, broadaxes must be in good usable condition but do not necessarily require a handle.

Fort Edmonton will be a near exact replica of the original of the 1800's and will house many items of that era. The whole project will take about 10 years to complete at which time you will be able to start in the 18th century and on down the line to the present, and this will take not hours, but days of interesting viewing and reminiscing of the past.

Many hours will be spent in working out the plan details with project superintendent John Peppard, Parks and Recreation Supt. J. C. Finlay and Larry Bellman and B. R. Walaschuk, president of Laboris Lumber Corp. Ltd.

The planning work is tedious, as every timber in most cases is like a jigsaw puzzle.

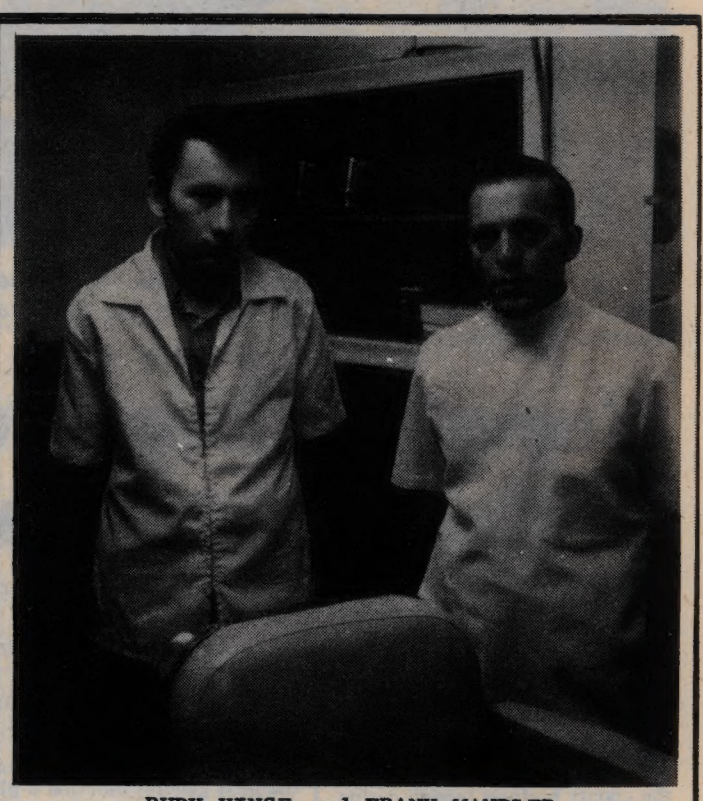
Back in the forest, every tree has to be selected and the stump premeasured before felling to determine what part of Fort Edmonton it will fit into.

TOWN COUNCIL CONFIRMS SUPPORT OF NEW SCHOOL

Town Council at its last regular meeting authorized a letter to the County of Parkland confirming that the Drayton Valley Town Council is still very much in favor of the construction of a new high school at the site selected on the eastern boundary of the town.

The letter was prompted by a visit by County School Committee members John Tyler and Rudolph Zander who advised that information was heard at a recent School Committee meeting to the effect that the Drayton Valley council no longer supported the proposal.

Shocked members of the town organization, in authorizing a letter to Parkland Council, reiterated their unwavering support and re-affirmed the town's willingness to share costs of relocating the flowline crossing the property to make the site available for school construction.



RUDY HINSE and FRANK WANDLER

ANNOUNCEMENT

We wish to announce that Mr. Frank Wandler has moved to

Rudy's Barber Shop

in the Drayton Valley Hotel

Annual Meeting

(Cont. from Page 1)

education facilities for children in the north-western area of the county was discussed by Mr. Bailey and he answered several questions from the floor on the topic of the Edson-Stony Regional School Board.

With the defeat of a plebiscite for a regional high school at Evansburg on two occasions, Mr. Bailey expressed the need to look to some other source for improving the school situation in the Entwistle - Seba Beach Area. He suggested the possibility of a tuition arrangement with the Edson (Yellowhead) School Division for the education of children in the area of concern.

SUPERINTENDENT'S REPORT

Superintendent of Schools Mr. Henry Toews reported that because of expansion the year had been a difficult one, but also one of considerable growth.

The school population grew by 500 pupils during the year, he said. He noted that the larger centres were increasing in school populations while the smaller communities continued to decline.

Parkland now has 4,845 students enrolled in 15 schools with 150 classrooms. An additional 180 Parkland students are bused to Devon on a tuition agreement.

The county now has 215 full time teachers at an average salary of $8,089. Lowest salary in the county is $4,800 and the maximum $14,050.

In 1969 final examinations in grade 12, 536 papers were written with 453 receiving matriculation standing, 517 pass standing and 19 failed. Thirty-three received honors standing.

Grade nine results showed 297 passed, 19 with honors, and 25 failed.

He noted that although improvements in accommodation might be sought in a number of areas, the most critical points were Spruce Grove, Drayton Valley and Stony Plain.

Mr. Toews also answered a number of questions from the floor.

POLICE REPORT

Report of Police Chief James A. Kelly indicated a revenue of $12,192 in fines during the year. Complaints received and investigated totalled 310.

Towns within the county are not alone with dog problems and Chief Kelly notes that such complaints showed an increase during the year.

In view of the increasing number of subdivisions being developed in the county and expanding recreation attractions, Chief Kelly anticipates a substantial increase in traffic. With this in mind, he says, the Police Department will be spending as much time as possible on rural road patrols.

FIELDMAN'S REPORT

Mr. William Moelhoff noted in his report that adverse weather last summer hampered weed control measures. He added that a good variety of herbicides is now available to control most weeds in growing crops, and this, together with a planned system of farming will go a long way toward overcoming the weed problem.

Forage projects assisted by Federal, Provincial and County funds totalled 46,895 pounds of seed, valued at $19,477. with 150 farmers participating in the program.

One hundred and ninety-five miles of roadsides were sprayed on both sides for small brush and weed control at a cost of $20.40 per mile. Thirty-five miles of backsloped roads were sown to grass.

During the year 3,550 calves were vaccinated for Brucellosis control compared to 2,120 in 1968.

Mr. Moelhoff noted that one 1080 bait had been set out for coyote control and this matter proved the most contentious in his report drawing a number of questions from the floor.

Mr. Moelhoff stated that he, too, was opposed to the use of poisons for the control of coyotes and insisted that it only be used in cases of real emergency.

The meeting that got underway at 10:00 a.m. following lunch a and coffee breaks, adjourned at about 5:00 p.m.

BENSON'S EASTER BONNET

Report from the Legislature

By TONY COX

Medicare boycotters now have to register and pay all their back premiums before the province will allow them to opt out of Alberta's new health care insurance program.

This means that before an individual can obtain his opting-out card, which will have to be renewed each year from the medicare commission, he must pay all the medicare premiums outstanding from July 1, 1969, the day Alberta joined the federal plan.

Anyone who claims a benefit under the program will be automatically registered and therefore liable to back payment of premiums. Health Minister Jim Henderson explained the plan this way.

Any medicare hold-out using a physician's services would be re-registered with the commission when the physician applied for reimbursement. The boycotter, now registered with the commission, would be responsible for his back premiums plus a 10 percent penalty charge.

Another provision would empower the government to force employers to deduct employees' wages as part of a group contract.

Legislation to promote integrated urban transportation systems, curb land speculation and protect property rights in transport corridors has been outlined by Highways Minister Gordon Taylor.

The bill, described as unique in North America, is designed to prepare comprehensive transportation systems with cost sharing agreements between the cities and the province. It would also create protection areas for the eventual development of rapid transit, freeways and other transportation facilities with provision to protect landowners whose property would be directly involved. Almost assuredly, there will be reaction to this bill.

The provincial government may reduce its school construction grants ceiling in line with recommendations of a comprehensive report dealing with school costs.

Education Minister Robert Clark was commenting on an inch-thick consultant's report which said financial support from the province was more than adequate in most areas.

The report suggested that successful schools were being built in Alberta at costs well below the $16 per square foot allowance for elementary schools and $17 per square foot for junior and senior high schools.

An analysis of 42 schools built between 1966 and 1968 suggested reasonable costs as varying between $15.30 and $15.50 per square foot.

The government intends to spend or borrow $16.6-million for land assembly projects this year. Edmonton will receive nearly $9-million; Calgary, $6.3-million. Other regions receiving assistance are High River, $522-thousand; Peace River, $219,000; Redwater, $180,000; Stony Plain, $135,000; Hanna, $96,000; Spirit River, $12,500 with various other areas totalling $80,000.

A major revision to the Game Act, now called the Wildlife Act to emphasize wildlife rather than merely game birds and animals, involves the province's crop damage fund.

90 percent of premiums will be returned as compensation claims to a maximum of $15 per acre. The remaining 10 percent will be used to develop lure crops and other special projects to reduce crop damage caused by migratory birds.

Hunting will not be allowed within a one-mile radius of a residence without first obtaining the occupant's consent. Loaded firearms are now classed as those with a bullet in the barrel, not the magazine and night shooting is to be outlawed.

A $600,000 project to raise the level of Gull Lake four feet within the next 15 years, likely will get started next year. Water will be pumped two miles from the Blindman Creek. The final decision hinges on an agreement of costs with local residents and the government.

The Conservative Opposition has introduced legislation to set aside a provincial wilderness area named after former Liberal MLA, Bill Switzer. Introduced by Tory Bob Dowling who succeeded Mr. Switzer in the Edson constituency the bill would leave designation of the actual wilderness area to the Executive Council.

Beware the motorist. RCMP air surveillance of the highways will be expanded this summer. This word comes from the Attorney General Edgar Gerhart.

KEEPHILLS NEWS

A good crowd was on hand for the Bazaar on Friday, March 13th. The students' Union had a counter of candy and popcorn and enjoyed brisk sales.

Calgary Power changed over the street lights to the Mercury Vapour type last week and it made quite a difference.

Paul and Ruby Walker of Edson spent Tuesday and Wednesday visiting relatives in the district.

Nora Domborsky and her family went into Edmonton Sunday the birthday of her sister-in-law Margaret MacDonald and report a very enjoyable day.

The Raymond sisters and in-law of this area went to Thorsby's Women's Bonspiel last weekend. One team lost their third game. The other team won one and lost one then repeated a win and a loss--but reported a lot of fun.

Editorial Comment

THOSE ANNUAL MEETINGS

A total of 64 persons on hand for the Annual Meeting of an organization as large as the County of Parkland is a pretty poor show. How can attendance be improved?

At last Saturday's meeting the attendance was primarily from the western side of the County and a parallel situation will likely exist at next year's meeting in Stony Plain. The answer appears to be a meeting somewhere closer to the centre of the county or else two yearly meetings, one at either end of the County.

Perhaps we're wrong but it seems there must be some hall or school, somewhere centrally located, that would accomodate the 100 or so rate payers that could be expected from the whole county, (the 100 figure based on the usual 50 or 60 at meetings in Stony Plain and Drayton Valley).

The democratic process demands the interest of taxpayers to function effectively and the task should not be relegated to the loyal few who realize their obligation and are prepared to attend regardless of circumstances.

The remedy for attendance at the town ratepayers' meeting escapes us. With only seven persons present following a number of contentious issues during the year, it seems hopeless to suggest inducements to citizens to play their democratic part in society.

READY TO FIGHT

The White Paper on Taxation has jabbed a nerve in businessmen that until now no one suspected was there. The business community has shrugged its shoulders and adopted a "what's the use" attitude about any radical changes in legislation over the last 20 years. But the White Paper has brought them into the streets ready to fight.

The reason appears to be that people -- businessmen in particular -- sense that the White Paper is not merely a proposal for changing the rate of taxation, it is a sweeping program for a radical change in our social structure. The changes called for in the government proposals, many believe, will turn Canada into a socialist state.

Much is being written about the White Paper and so it is not our intention to discuss it in any detail. What we wish to express is our delight that at long last the so-called small businessman has decided to make his influence felt. Too often in the past he was overlooked, mainly because he did not speak up for himself.

Retailers, in particular, have a lamentable record for speaking out where and when they will be heard. To this day, only the major retail organizations have a voice in Ottawa through their trade association.

So there is one good thing about the White Paper. It has forced businessmen to speak up for themselves -- and in this case so successfully that our bet is that the government's proposals will undergo a great many changes before being presented to Parliament as legislation.

One note of caution. We feel too much emotion has been aroused by the White Paper. The arguments against it can be explained cooly and rationally, but too often at recent protest meetings emotion has taken over and the discussion degenerates into threats and name-calling. If the objective is to get some major changes in the government's tax plans -- keeping in mind that some sort of new tax law is inevitable -- then let us limit ourselves to discussion of the facts. - Home Goods Retailing

MAGNOLIA NEWS

This community is deeply saddened by the sudden passing of a long-time resident, Mr. Stanley Myslicki, on Sunday, March 15th. Our sincere sympathy is extended to Mrs. Myslicki and family.

Home for the weekend with Al and Alma Roth were Wade; Leroy, Marian and Misty; and Glynne and Maxine.

Mr. Charles Anderson entered the Col. Mewburn Hospital on Monday, March 9th, for tests and treatment.

The Ladies' Club held their March meeting at Betty Strangway's with Marie June as co-hostess. There were six members present. Ruby Brown was the lucky tea-prize winner. The next meeting will be held in the hall on April 8th. Everyone is welcome as it has been decided to spring clean the hall during that day.

Mr. Leonard McWillis came home from hospital on Thursday, March 12th. Glad to hear you're feeling better.

Cecil and Marie June spent a long-weed-end visiting with the Ringlands at Lone Rock. Mrs. Velma Ringland and Marie are sisters. On their way home, they stopped at Lloydminster so that Brenda Formier could accompany them to Magnolia. Brenda later went with Maxine and Glynne Roth to Jasper for a week.

COUNCIL BRIEFS

At the last regular meeting of Town Council, Secretary-Treasurer Bill Johanneson reported on progress in obtaining a waste disposal area to replace the present one on the west side of Highway 57 just north of Drayton Valley. Complaints have been received regarding smoke obscuring highway vision as well as offensive odors from the grounds.

Aerial photos are available to aid in searching out a new ground and the Sanitary Inspector of Edson Health Unit was to visit potential locations with Mr. Johanneson to evaluate them.

****

The Lions Club request for additional land south of West Valley Park to accomodate a midway and additional parking for the Evergreen Rodeo was discussed by Council. It was agreed to approach the owner of the land to negotiate the purchase or lease of the land required

****

Council considered Bylaw No. 449, the zoning and planning legislation, and having no recommendations or amendments, the bylaw was given third and final reading.

****

The committee appointed to study snow vehicle legislation reported and placed a draft of Bylaw 487 before Council. Council discussed the matter and felt it would be expedient to give the bylaw first reading and commence legislation. Alterations to the bylaw are expected before final reading.

****

A letter was read from the Pembina Oilfield Fish and Game Association regarding litter on roads and highway caused by residents hauling garbage in open vehicles. It was pointed out that the town has legislation to control litter on roadways but has no jurisdiction over Highway 57. It was felt that a copy of the F.G.A letter should also go to the Department of Highways.

****

While considering the general problem of litter and garbage the subject of burning in residential areas was introduced. It was felt that burning offensive material in open gas and oil drums created a nusiance to neighbors in many instances.

Support for legislation to outlaw burning was heard and it was decided to insert a notice in The Western Review in an attempt to determine public opinion before carrying the matter further.

****

The small holding lots in subdivisions in SW 1/4 16-49-7-W5 have been registered and are now for sale. These are the large lots on the north east side of town.

****

Council authorized the sale of four lots in the north end subdivision to Superior Construction and others to Mr. W. Bowling, Mr. L. Hammond and Mr. G. Wickstrom

****

Council approved the attendance of members of the Volunteer Fire Department at the Alberta Fire Training School. Largest share of expenses are borne by the Provincial Government.

Still on the subject of the Fire Department, it was pointed out that the Fire Hall was in need of repairs and painting. It was decided that the building would in future come under the wing of the Public Works Department in the matter of maintenance.

Council was advised of the need to install a new heater for the swimming pool or make major repairs to the existing one. Recreation Board recommendation was for the installation of a new heater at a cost of about $3,800. Council authorized the Town Engineer investigate pool heater requirements and to also look into the possibility of converting an oilfield line heater for the purpose.

****

Mayor Johnson reported on his visit to CMHC and AHURC on the subject of low rental housing. Following Mr. Johnson's report it was decided to ask Mr. M. Thomas of Alberta Housing and Urban Renewal Corporation to address the next meeting of Council.

****

Council authorized advising the Edmonton Regional Planning Commission that there is no objection to transfer of part of SW 1/4-18-49-7-W5 (Poplar Ridge) providing that in the event of its use for heavy equipment or salvage, the property would be properly screened.

****

Council was advised that no petitions had been received regarding the Sunday opening of theatres, etc. and Council read the covering Bylaw No. 484 for the third time.

****

Application for permission to borrow money for water and sewer extensions in the new subdivision being created on the south eastern edge of town will be required soon and Council authorized the necessary bylaws.

Plan Salmon Experiment

Alberta's first experimental introduction of coho salmon will be made in Cold Lake next May, it was announced last week by Dr. J. Donovan Ross, Minister of Alberta's Lands and Forests Department.

"If the experiment is successful Alberta sport fishermen will be provided with an exciting new species", Dr. Ross said. Coho stocking programs in other areas, particularly Lake Michigan, have produced 12 to 15 pound sporty fish in only two years, and yielded a fishing bonanza.

The secret of this phenonemal growth lay in large populations of alewives, small fish which turned out to be ideal food for the salmon. It is thought that the ciscoes in Cold Lake will serve the same purpose, but as Cold Lake is generally less productive than the Great Lakes, Alberta anglers may look forward to four to six pound fish in 1971.

Summary Regular Meeting Parkland County Council

Regular meeting of Parkland County Council continued on March 12th.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Robert A. Bailey, George Mann and Ivan Vowk.

Agreement for one acre of land for gravel stockpile site in the SW 20-53-6-5 was approved.

The members of the Council having to meet with the Minister of Highways in Edmonton at 1:30 o'clock p.m., the meeting adjourned at 11:45 o'clock a.m. to meet again on Friday, March 13th, 1970.

Meeting reconvened on Friday, March 13 with Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors George Mann Ivan Vowk, Robert A. Bailey and Peter Bakker present.

Offer to purchase one 500 gallon propane tank situated in Lodgepole for the sum of $225.00 was received from Mutual Tanks Ltd. of Edmonton and accepted.

Letter dated March 9, from the Tomahawk and District Club was read to the Council requesting that as many of the Councillors as possible attend to inspect the recreation centre under construction in Tomahawk.

It was agreed that as many of the Council members as possible attend to inspect the recreation centre on March 31, at 10:00 o'clock a.m.

Letter dated March 11, 1970 from Northwestern Utilities Ltd. was read to the Council advising of the proposed installation of natural gas service in Rich's Point and Ascot Beach.

It was agreed that membership in Yellowhead Highway Association be obtained at a cost of $877.12 and to request designation of the County by way of signs and advertising.

Mr. Adolph Shep, County Fire Chief was present at the meeting in connection with the Fire Department in Lodgepole.

It was agreed to authorize Mr. Shep to upgrade the equipment of the Lodgepole Fire Department to a minimum safe standard.

FIRE DRILLS IN SCHOOLS

It was agreed that the Fire Chief be requested to make periodic observations of fire drills in schools.

It was agreed to request John Regamy Construction to complete all defficiencies in the Wabamun Fire Hall addition.

It was agreed to contact all neighbouring municipalities and villages that may require fire fighting services, to enter into agreements and deposit funds to guarantee payment.

It was agreed that the name signs on all fire engines be changed to County of Parkland No. 31.

REQUEST FOR OFFICE SPACE IN DRAYTON VALLEY

Letter dated March 9, 1970

GAINFORD NEWS

The Gainford Community Society are having an Easter Tea and Bake Sale Saturday, March 28th at the Gainford Hall.

Mr. Jim Hauser and Mr. Mike Greaney were patients in Edmonton Hospitals recently. Both had surgery. Jim in the Miserecordia Hospital and Mike in the Royal Alex Hospital.

Eileen Lenz, Pat Mathews, Fay Malka and Olga Walaschuk won fourth in the second event in the Women's Open Bonspiel in Wildwood March 14th and 15th.

The next Elks and Royal Purple Bingo will be held March 25th at 8:00 p.m. in the Gainford Hall. Jackpot $175.00.

Rodney and Wendy Lyle of St. Albert spent the weekend of March 14th and 15th with their grandparents Mr. and Mrs. H. McLachlin.

Dudley Hunt of Edmonton visited friends in Gainford Sunday, March 15th.

Tim, Jim and Kelly Greaney spent a few days in Mayerthorpe with their grandparents Mr. and Mrs. Grant MacDougall.

A fishing story - strange but true. While fishing in Lake Isle March 15th Kenny Dzus had a fish follow his line right out of the hole and catch him by the pant leg. Onlookers say they don't know for sure who was scared more, Kenny or the fish.

Let the Want-Ads help you sell.

MOON LAKE NEWS

Mrs. Jean Smith left for B.C. last week to visit with her two daughters, son and brother.

Mitchel Lang and Boyd Chambers, employed with Anchor Construction, have gone to Nippissi to work. This is about fifty miles north of Slave Lake.

Mr. McRae was short a pair of rubbers when leaving the Senior Citizens supper at the hall last week. There are a pair here, so if you men will check yours, may be an exchange could be made.

Thanks to all the folks who supported the Ladies Club Ham and Cash Bingo on March 21st. Following are the prize winners 1st Peter Ulvestad; 2nd Doreen Schaning; 3rd Tiny Jevne; 4th Janice Lang; 5th Jean Lang; 6th Audrey Deardoff; 7th Bonnie Carnegie; 8th Margaret Neil; 9th Mrs. Blanche LaBossiere; 10th Elsie Dusterhoft and Ethel Davidson split the cash prize of $10.00. 11th Millie Horst; 12th Kay Smith 13th Garry Lang; 14th Margaret Neil; 15th Ethel Davidson; 16th Diane Tufty; 17th George Moroz; 18th Garry Lang; 19th Diane Ulvestad; 20th game of $15.00 cash was split by six winners, Mrs. Sullivan, Violet Cherrington, Jean Cherrington, Jean Lang, Marvin Drew and Mrs. Hort Jean Cherrington, Jean Lang, Marvin Drew and Mrs. Horst,

Clara Bush had her two daughters, Diane, Peggy and families of Edmonton home for the weekend.

Fred Cherrington returned to Edmonton last week for a check with his doctor. He feels his back is slowly improving.

Blanche Jensen reports that Leo is quite a good housekeeper and waitress. She feels however, she will soon be able to be up and around again.

Oliveen Town was a lucky C.J.C.A. Contest winner of $25.00. In fact this was her second win. She also won $5.00 in a contest a few weeks ago.

Clara Bush is employed at Rocky Rapids Store for two days a week. She says she likes the work very much.

A few people from the district attended the supper and dance at Ramona Hall on Saturday night. They say the supper was delicious and the evening of dancing enjoyable.

The next Bingo here will be on Thursday March 26th, the monthly whist drive on March 28th.

Would anyone having news please phone 727-2368.

Pontiac's new Catalina.
Long 122-inch wheelbase.
Wide 64-inch track.
Big 255-hp V8.

Priced to make it
1970's most exciting buy!

MARK OF EXCELLENCE

Wide-Track Catalina is even bigger than most other full-size Pontiacs.

And it's priced to be your happiest surprise this year (it certainly shook up our competition).

Power rates at 255 horses or 290, depending on which Catalina you choose.

You get fabric-and-Morrokide or all-Morrokide upholstery, simulated walnut-grained inserts, Upper-level ventilation comfort with full-glass styling, hidden radio antenna, hidden windshield wipers and color-keyed Endura molding protecting both sides.

And the up-front look of a luxury Pontiac Grand Prix!

See Pontiac's big new value leader.

This is the way driving is going to be.

Regular Meeting County Council

(Cont. from Page 7)

from the Edson Health Unit was read to the Council requesting office space in the proposed County building in Drayton Valley.

It was agreed that the Edson Health Unit be requested to have representation at a Council meeting in this connection.

Letter dated March 11, 1970 from the Town of Drayton Valley along with a copy of the proceedings of a joint meeting held on December 17, 1969 were read to the Council concerning the proposed improvement of the approach roads to the Town of Drayton Valley.

It was agreed to receive this for information and refer it to the Public Works Department for further consideration.

Letter dated March 11, 1970 from the Chief Municipal Inspector was read to the Council advising that he had received a complaint from Mrs. Alex Morrison of Edmonton concerning the operation of snow vehicles on roads in and around her cottage at Whitewood Sands.

It was agreed to advise Mrs. Morrison that this matter is being referred to the Police Department for enforcement of the provisions of the Snow Vehicles Act.

Request for opportunity to discuss the County Insurance Programme was received from Parkland Insurance Associates Ltd.

It was agreed to thank Parkland Insurance Associates Ltd. for its interest and to advise that the County insurance has been placed by tender, for a period of three years.

Notice received from the Department of Lands and Forests that application was made for a Licence of Occupation for a pier site adjacent to Lot 19, Block 1, Plan 70M.C., Hubbles Lake.

It was agreed to approve this application.

The report of activities of the Police Department for the month of February 1970 was accepted.

Written report of the Police Committee was read to the Council with certain recommendations

PURCHASE OF POLICE CAR

It was agreed to accept a 1970 Plymouth in lieu of the 1969 Plymouth that was tendered for and accepted in the Fall of 1969.

It was further agreed that the 1967 Chevrolet police car at Wabamun be brought into the County shop for inspection.

CONTINGENCY ROADS APPROPRIATION

It was agreed to apply for grants from the Special Contingency Roads Appropriation as follows:- Carvel - Genesee Bridge road - $50,000.00; Campian Corner - $40,000.00

Mr. Doug Laurie of Stony Plain was present at the meeting to discuss with the Council, tourism promotion in the County.

One hundred copies of the History of Rural Municipal Government in Alberta have now been received.

It was agreed to contact all libraries in the County and advise them that these books are available to them at cost, after which they be sold to the public at cost on a first come, first serve basis.

It was agreed to install a two-way radio in the new Champion motor grader.

Councillor Mann presented a report on behalf of the Committee appointed to deal with the proposed annexation of lands by the Village of Spruce Grove.

It was agreed to accept the report for information and not to consider any annexations effective before January 1, 1971.

It was agreed to rescind the motion to sell copies of the History of Rural Municipal Government to local libraries at cost, and to provide them free of charge

SUB-MITS

FROM THE ELEMENTARY SCHOOL

In 1957 the western world was startled to find that the Soviet Union was winning the Space Race with the first "Sputnik" in orbit. Immediately the western Education system began to respond with increased emphasis on science and mathematics in their curriculums. These adjustments were felt right down to the elementary level with the introduction of the "New Math" and a new approach to the Science Program. I asked Mr. Al Baker who teaches all the science in grade five, for a short summary of how the science has changed. Here is his resume of the new approach:

The new elementary science program is designed to sharpen the senses, not to provide a body of material to memorize. An apprentice mechanic will not learn how to repair cars simply by studying text books on the parts of a car and what can go wrong. He must work with real cars to develop his techniques. A child will not improve his power of observation nor his ability to see differences simply by reading about what he sould see or even by writing about it.

Give a child in grade one or two a compass and he will soon see that one point is always pointing in the same direction. A microscope and snow will soon show him that snowflakes have different shapes. These activities sharpen the powers of observation. In grade 4 and 5 leave one plant in the open and seal one in the plastic bag. A child will see that the one in the open needs water more often. This makes them curious and they ask questions. They may suggest possible answers These are ways to improve the ability to ask sensible questions. The program provides the tools to help find answers, it does not provide answers.

Teaching in one of the grade two classrooms we have Mrs. Margaret Nordby. She was born in Scotland and emigrated to Canada as a child. She took her schooling in Saskatchewan and Alberta and is now in her 6th year of teaching. Her family is practically grown up, with two children in University. Mrs. Nordby's professional and recreational interests center on reading. She feels Drayton Valley is one of the best towns she has ever lived or worked in. And this is a distinct compliment coming from one who has lived on the "oil circuit".

Thursday of last week, the grade 4 and 5 classes enjoyed the Edmonton Symphony orchestra. The reaction of the children was most enthusiastic. Thanks to those who made this music experience possible.

Sincerely,
Olga Brown.

Highway 16 Bantam Play-offs Underway

Onoway defeated Devon 2 games to 1 to advance to the finals: On March 5 Onoway and Devon of the Bantam League opened up their best of three semi-final series in Onoway. In this encounter Onoway defeated Devon by a score of 3 to 1. Leading the Onoway attack were M. Shabada and K. Branting each getting a goal and 2 assists and A. Tyschuk rounded out the Onoway scoring. Tom Witthoeft assisted on Brad Steel's goal and Devon's only reply of the contest.

In game number two Devon came out on top by a 2 to 0 count Again Brad Steel and Tom Witthoeft accounted for all the scoring with each garnering a goal and an assist apiece. Dave McNaughton played a strong game in the nets, registering the shutout. On the last game Onoway secured a place in the league finals by a 4 - 2 count. Scoring for the winners were G. Robinson with 2 goals and 1 assist and singleton's going to Gordie Bowman and M. Shabada. Replying for Devon were Gord Madson and Vern Eisbrenner.

Onoway will now play against Drayton Valley who defeated Wabamun in a best of three affair, 2 games to 1: In the first game Drayton Valley, first place finishers during league play, bombed the Wabamun club 8 - 3 with Dean Samis and Cameron Selin doing most of the damage. Samis scored one goal and assisted on three others while Selin accounted for 2 goals and one assist. Other scorers for Drayton were: Mark Hutton, Ron Bartek, Lindsay Machan, Darcy Galvon and Ken Fournier, each accounting for one goal. Replying for the Wabamun club were Graham McDonald with 2 and John Stafford with the other. Mike Goulet picked up 2 assists in a losing effort.

In game number two the Jim Hawkins-coached club come on strong in Wabamun to hand Drayton Valley it's first loss, 5 - 3 in the Hi Way 16 League this year and deadlock the series at one game apiece. Leading the way for the victors were Graham McDonald with 2 counters and singles coming from Darrell McDonald, Johnny Stafford and Mike Goulet.

In the third and final counter which was played in the Drayton Valley Arena the Drayton Club defeated Wabamun 6 - 1 with Cameron Selin leading the way with 2 counters. Dean Samis, Mark Hutton, Xavier Coppens and Bob Hall completing the scoring. The lone Wabamun marker came off the stick of Johnny Stafford.

BURTONSVILLE NEWS

Challengers Win First of Semi-Final

The Burrows Motors All-Star's won the semi-final round of the Hi Way 16 League by downing Wabamun in the third game of the series.

The second game of the series was played in Wabumun and the home team came up with a strong third period and handed the Challengers a 5 to 3 defeat. Graham McDonald lead the scoring for Wabamun with three of the five goals.

The third game was played in Drayton and the Challengers came up with a strong game and treated the home crowd to a 6 to 1 victory. After a slow first period, the Challengers exploded for four goals in the second period to put the game out of reach of the Wabamun team team. The victory put the Challengers into the finals against the Onoway Elks.

The scoring was spread between five players. Cameron Selin beat the goalie twice and single goals went to Bob Hall, Xavier Coppens Dean Samis and Mark Hutton.

In the first game of the finals the crowd was treated to a thriller as the game went into overtime before the Challengers came up with a 9 to 6 victory. The All-Stars jumped into a quick two goal lead, both scored by Bob Hall. The Challengers dominated the play through the first two periods. The score was 4 to 3 at the end of the second period.

The Onoway Elks came back in full swing in the third period to take a 6 to 5 lead at the 13 minute mark. The team fought back and at the 17 minute mark on the clock, Mark Hutton fired the tieing goal.

In the overtime period the Challengers struck quickly with Bruce Hutton breaking in and beating the goalie with a quick slap shot from the blue line which was deflected in by Dean Samis. The team then moved on to score two more goals while holding Onoway off the scoreboard.

Mr. John Hall sponsored the three star selection made by Mr. Alan Day. Bruce Hutton, was selected as first star with a strong defensive game, two goals and two assists; second star was awarded to G. Bowman of Onoway, who led his team with two goals and two assists; third star was Ron Bartek who scored one goal and three assists and played a good forecheking game. The team thanks Mr. Hall for his donation.

Next game in the finals will be played at Stony Plain.

DRAYTON VALLEY AIR CADET NEWSPAPER BINGO

No. 45 - B 12
No. 46 - O 63
No. 47 - G 52
No. 48 - G 50
No. 49 - I 23

There has been a total of 44 numbers called to date. From now on all numbers will be numbered individually, thus enabling us to call more numbers each week. Person obtaining first numbered bingo is winner.

Persons having bingos are asked to PHONE 542-2033 giving name and phone number. These persons will be contacted later by Bingo Chairman.

Profits from this function will be used to help finance Air Cadet Flying Scholarships.

Farm Credit Loans Available

Most farmers will now be making their decisions as to the type of operation and activity they will follow in their farm programs for 1970. For many the decisions will not be as easy as has been the case in other years. For others the way will be clear and the direction of travel quite easily established.

The personnel of the Farm Credit Corporation offices wish to remind farmers that those who plan to seek long term farm loans this spring are urged to make their requirements known at an early date. Loans will be available to qualifying farmers for many and various purposes, either through the Federal Farm Credit Act or the Farm Syndicate Credit Act. Both Acts are administered by the Farm Credit Corporation.

Loans through the Farm Credit Act are based primarily on land security. This necessitates an appraisal of the real estate and the subsequent drawing of mortgage documents, etc. It is important therefore that farmers in need of this financial assistance call to discuss their plans with the local F.C.C. representative well before the date the funds are actually required. Your local Credit Adviser will be pleased to assist you any way possible. Contact P. M. Peterson, Box 277, Evansburg, Alberta or Phone 727-3795.

NEW UNIVERSITY BOARD OF GOVERNORS

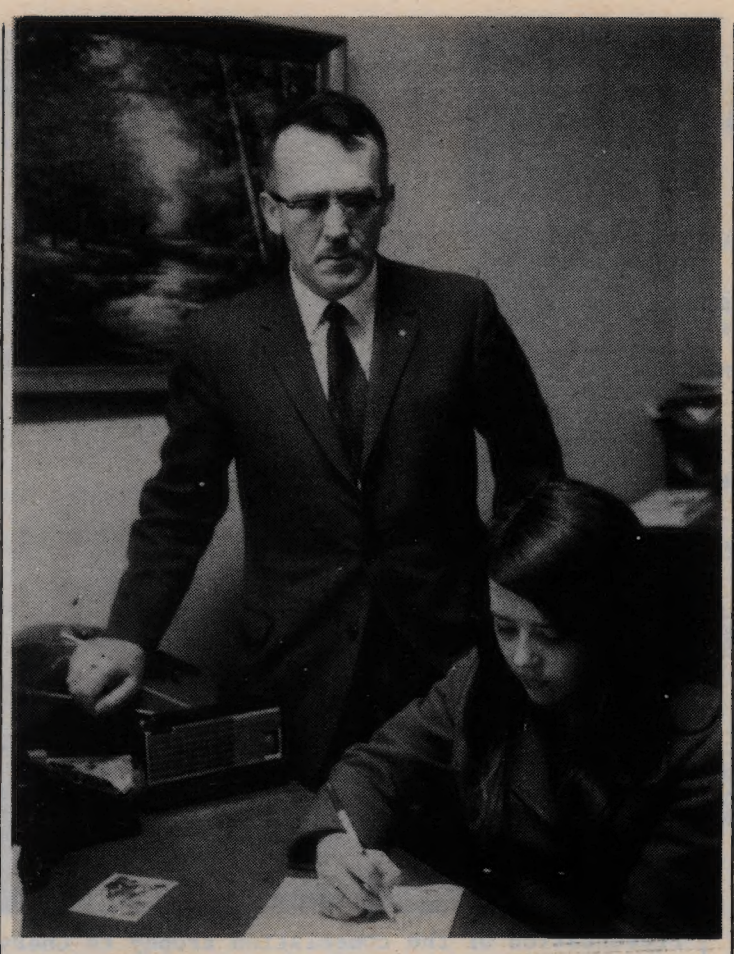
The University Act requires the appointment of six persons from the public-at-large to the Board of Governors of the new university to be established in the St. Albert area.

Interested organizations and groups are invited to submit written nominations. Nominations should provide the background and qualifications of the person or persons nominated.

Submissions should be mailed to:

The Chairman
Alberta Universities Commission
202 Sir John Franklin Building
11111 - 87 Avenue
Edmonton, Alberta

GOVERNMENT OF ALBERTA
Hon. R. C. Clark
Minister of Education



Mayor Ton Johnson witnesses the signature of Janine La Branche is filling out an application for Canadian Citizenship to be presented during her visit to Ottawa this spring.

Janine La Branche Wins Ottawa Trip

Three candidates from the Frank Maddock High School vied for the honor of representing the Drayton Valley Rotary Club in a trip to Ottawa this spring at a public speaking competition at a Rotary Ladies' Night in the Cardium Room, March 11th.

Judges were hard-pressed in reaching a decision that saw the award go to Janine La Branche, a grade 12 F.M.H.S. student.

Judging was on a point basis, with the students speaking on a topic of their choice, and final figures saw the three contestants separated by only one point out of a possible 60.

The other candidates, who were complimented on excellent presentations, were Diane Serenas and Linda Frank. Judges were Rev. Ingram, Dr. Shimbashi and St. Anthony's Principal, Richard MacDonald.

Miss La Branche will leave on the "Adventure in Citizenship" on May 16th. She will be travelling by CNR with a group of 21 other Alberta students representing Rotary Clubs throughout the province.

The annual event is sponsored by the Rotary Club of Ottawa with the co-operation of others from coast to coast. The trip provides a unique opportunity for young Canadians to witness democracy in action, to meet leading figures of government and public service, and to hear prominent people speak on the privileges and responsibilities of Canadian Citizenship.

The four days spent in the national capital will be filled with tours and visits to places of interest by the young people. Included will be a meeting with Prime Minister Trudeau and the presentation of Canadian Citizenship Certificates.

Rotary Clubs sending delegates pay transportation costs while the host Ottawa club looks after accommodation and transportation while in Ottawa.

Drayton Valley Rotary President Bob Mayhew noted his club's pleasure at the opportunity to take part in this rewarding experience for both the sponsoring clubs and the students. "Above all," he said, "it brings young Canadians together from coast to coast and helps contribute to better understanding and good will."

Holy Week Services

Holy Week Services at the Catholic Church are as follows: Holy Thursday - 7:30 p.m.; Good Friday - 3:00 p.m.; Holy Saturday (Paschal Vigil) - 9:30 p.m. Easter Sunday - 11:00 a.m. All are welcome.

New Regulations Announced for Alberta Hunters

A new hunting licence for Alberta residents and the abolition of a comprehensive licence for non-residents are the major changes in the new fees and licence schedule of the Game Act administered by the Alberta Department of Lands and Forests.

A new M-E-D licence has been introduced for residents only. It will have only one game tag issued with it, and will allow the holder to shoot one moose, or elk or deer. He will not be allowed to buy another licence for any of those three species, regardless of which he shoots on his M-E-D licence.

The Wildlife Certificate fee has been raised from $2 to $3. This money goes to the Wildlife Damage Fund which compensates landowners sustaining losses incurred by wildlife.

Following is the new schedule of resident fees for licences and permits: Trophy Mountain Sheep $10; Non-trophy Mountain Sheep $5; Antelope $10; M-E-D $10; Whitetail Deer $3; Camp Wainwright Deer $5; Mule Deer $5; Spring Bear $5; Black Bear $5; Caribou $10; Elk $5; Bird Game $2.50; Grizzly Bear $10; Moose $5; Moose-Zone One $5; S416-S418 Elk $5; and E308 Female Elk $5.

THE TOWN OF DRAYTON VALLEY PUBLIC NOTICE

Pursuant to the provisions of Section 145 of THE MUNICIPAL TAXATION ACT, PUBLIC NOTICE is hereby given that the Council of the Town of Drayton Valley intends to undertake the installation of extensions to the Town Sewer System and the making of service connections thereto as a local improvement. The estimated cost of the aforementioned local improvement is $9,000.00 repayable over a period of fifteen (15) years at a rate of interest not exceeding ten per centum (10%) per annum and to charge the lands abutting that portion of the street or place wherein the local improvement is made at a uniform rate of thirty-one (.31) cents per front foot of frontage per year over the said period of fifteen (15) years.

All cost in excess of the aforementioned rate per front foot will be borne by the Town at large.

The location of the proposed local improvements is as follows:

PROPERTIES TO BE ASSESSED;

ON	FROM	TO	FRONTAGE
(a) Block 58	Lot 25	Lot 14	678.00 feet
(b) Block 58	Lot 26	Lot 29	295.50 feet
(c) Block 58	Lot 13	Lot 1	784.50 feet
Total lineal feet of frontage			1,758.00 feet

Notice is further given that unless the majority of the owners of the lands that may be assessed therefor, representing at least one-half in value thereof as aforesaid, petition the Council against it within two weeks after the last publication of the notice, the local improvement may be undertaken and the cost thereof assessed by the system of assessment referred to in this notice.

If no petition sufficiently signed has, within the time limited in that behalf, been presented to the Council against the local improvement or assessment aforementioned, the Council may undertake the proposed local improvement at any time within three years of the giving of the notice.

Date of the last publication of this notice will be the 1st day of April, 1970.

Town of Drayton Valley,
March 23, 1970

W. G. JOHANNESON,
Secretary-Treasurer.

Report Indicates Satisfaction With Town Affairs

The inspector's report of the yearly audit of books and records of the Town of Drayton Valley, which was unavailable and its absence explained at the time of the annual meeting of ratepayers, has since arrived and indicates affairs of the community to be in good order.

The audit was conducted on October 22 and 23 by Mr. J. P. Leskiw of the Department of Municipal Affairs. He noted that Town Council was apparently making an effort to improve the financial position of the town by keeping expenditures within the budgeted allocations and that they should continue this policy until a more secure cash position is acheived.

The report notes that bylaws should be passed covering grants to community organizations and the fire fighting agreement with the County of Parkland. In closing the report states that administration is being conducted in a satisfactory manner.

Attend Legion Seminar Saturday

Pat Turner and Bill Johanneson attended a Legion Seminar at the Montgomery Legion Branch in Edmonton on Saturday, March 21st.

Both were enthusiastic about the value of the agenda presented during the day under Dominion Command Sponsorship.

All aspects of Legion work were covered by the course, some of the items included, conduct of meetings, resolutions, public relations and the Poppy Fund.

Presentation of the consolation trophy to Cheryl Daviduk (L) Captain of the D.V.J.H. Ookpiks by Celina Cardinal, Girls Sports Convenor of Dr. Swift Junior High School at Lac La Biche

Ookpiks Second At Lac La Biche

The Drayton Valley Junior High Ookpiks travelled to Lac La Biche last Friday to take part in the Annual Invitational Basketball Tournament. They returned home with the second place trophy.

Represented in the tournament were teams from Newbrook (Champions of County of Thorhild), Westlock (County of Westlock), Drayton Valley (County Champions of Parkland County) and Lac La Biche (Champions of County of Lac La Biche).

The Ookpiks lost out in the final to the Dr. Swift Junior High School Larks of Lac La Biche with a score of 38 to 18. In their second game the Ookpiks beat Newbrook 28 to 24.

Special thanks are extended to Mr. J. McLean and Mr. Schneider in providing the team with transportation to Lac La Biche.

SEKURA AUCTIONS

Leprechauns Win Exhibition Games

The Drayton Valley Leprechauns travelled to Wainwright last weekend for a pair of exhibition hockey games with the Wainwright Pee-Wee Hockey Team. The team left Drayton Valley Saturday morning, played the first game at the Wainwright P.M.C. Arena at 6:00 p.m. that evening, were billeted with boys from the Wainwright team Saturday night, played again Sunday noon and returned home in the afternoon. The team travelled by bus, thanks to Dutch Vandorp who made his bus available and drove on the weekend trip. Coach, Russ Simpson and Recreation Director Mike Gormley travelled with the team.

The Leprechauns took Saturday' game by a 6 - 4 score and came back to win on Sunday defeating the host team 5 - 2.

The Leprechauns got off to a slow start on Saturday but managed to get a 2 -1 lead by the end of the first period. The teams played on even terms throughout the second period when the score went to 4 - 3 and the Drayton team came on strong in the final stage to make the final score read 6 - 4 in favor of the White and Green. Kevin Boulter led the Leprechauns with two goals while singles went to Jerry Hook, Larry Pankewicz, Ray Kowal and Mike Koebernick. The host team outshot the visitors 34 - 28 on the evening's play.

The Leprechauns were up for Sunday's game, took an early lead and coasted to a 5 - 2 victory. The Hotel team led 2 - 0 after the first period, had a 4 - 1 edge after two sessions of play and each team scored once in the final period. Scoring for Drayton Valley were James Novosel, Don Steirer, Mike Koebernick, Jerry Hook and Larry Pankewicz. As a forward line, Mike Shimbashi, Art Kowal and Brian Hagman had a great game. Donnie McRae played very well in the Leprechauns net in both games coming up with same key saves especially in Saturday's game. Rickie Simpson spared off McRae in goal during the second period of both games and did an outstanding job.

This may be the end of the season for the Leprechauns. They may have a game or two at home yet but for all practical purposes the road trip to Wainwright closed out the 1969-70 hockey season for them.

Family Returns From Sweden

Mr. and Mrs. Bob Doig and members of the family returned home Tuesday evening after a three week vacation in Sweden.

Mrs. Doig has several relations in Sweden and they enjoyed a round of visits and sight-seeing tours. Mr. Doig also visited Rotary clubs in Sweden and showed slides of Canada compiled by the Drayton Valley Club.

A highlight of the trip for Mr. Doig, who is Chief Constable of the Drayton Valley Municipal Police, was a visit to headquarters of the Swedish Federal Police

Mr. Doig brought back a memento of his visit in a monagramed baton presented to him by the Superintendent of the Ystad Division.

A.C.W. Delegates to Attend Convention

The March meeting of All Saints Anglican Church Women took the form of a pot luck dinner.

The dinner was open to all the church ladies who had taken penny bags last year. During the year these bags have been filled and the proceeds showed that to date just over seventy dollars has been taken in. The money will be given to the Primate's World Relief Fund.

During Lent the Anglican Ladies sponsored one of the Thursday Hunger Lunches. They expressed gratitude to the twenty-two people who turned out to the lunch, however, it was felt that in a town of this size more people should have been willing to taste for one day a diet that some of the world's poor would consider quite luxurious.

The ladies have been visiting the hospital once a week taking cards to those who are ailing.

Plans are being laid to have at least two members attend the Annual Diocesan meeting to be held in Edmonton in early April The ladies will take games, and mitts to Edmonton. These items will be distributed to Missions in Northern Canada.

A most successful St. Patrick's Day Bake Sale was held and realized eighty-four dollars. The group expressed thanks to Mr. Hamdon for the use of Blocks Store and all the ladies for their generous donations of baking.

Several members namely Mrs. Williams, Mrs. Belcher, Mrs. Schramm and Mrs. Pearson have been hospitalized in Edmonton during the past month. We are pleased that they are all recovering satisfactorily.

The cause of today's high traffic toll is the car of tomorrow on the highways of yeaterday driven by a man of today.

LODGEPOLE NEWS

The winning rinks in the local Men's Play-offs were the Stordasval and Elliot rinks.

The Open Men's Bonspiel was held last weekend with twenty-four rinks competing.

The Grand Challenge Trophies were given by H. Tuks of Pemfield Gulf Service . Winners were the E. Neumann rink of Edmonton with A. Neumann as third, H. Neumann second and B. Voigt as lead. Second place was won by the B. Harrison rink of Drayton Valley with the R. Knapp, (Drayton Valley) and D. Bolianatz rink in third and fourth place.

The second event trophies were given by G. Schmidt of Northern Video Sales. They were won by the S. Metelski rink of Drayton Valley, skipped by Dave Boulter, with A. Muzylowski, H. Jevne and J. Kokas. The second place went to M. Vander Ploeg rink and third and fourth places were won by the J. Streit and G. Hansen rinks.

The third event trophies were given by Northwestern Utilities by Manager A. Telford. They were won by the K. Gillis rink with R. Tufts, H. Shimbashi and B. Telford. Second place went to the D. Hylander rink and third and fourth place went to the W. Gilbertson and S. Kondratiuk rinks.

The first rink out earned the Skunk Trophies donated by T. Tucker. They were won by the R. McGregor rink, with L. Berglund playing second, Bill Kuzyk of Edson as third and skipped by John Kazar, also of Edson. All are ardent curlers but a little slow on the 6:00 a.m. draw.

A sincere thank you to all who helped to make the Bonspiel successful.

Mark Stewart is home after spending several days in hospital.

Mr. and Mrs. Peter Hyde and son are spending the Easter Holiday travelling in the U.S.A.

A social evening of curling by members of the Church of God was held on Monday evening.

Four young ladies attended the Wildwood Bonspiel recently. The rink was skipped by Maureen Haggerty, with Shirley Lester and Lorna and Loretta Waters.

LIGHTS CONTROL CHICK MORTALITY

Early experiments with two strains of chickens show that the chick mortality rate was cut in half when the birds were given regular lights-off rests.

Dr. R. B. Buckland of the Canada Agriculture Research Station at Agassiz, B. C., raised half the chicks under "normal" farm conditions -- dim light 24 hours a day -- and the other half under alternating three-hour dark and one-hour light periods after they were one week old.

HIGHWAY 16 MIDGET FINALS UNDERWAY

In the semi-finals of the Midget Hockey League, Onoway defeated Wabamun in a best of three series two games to none and advanced into the League finals:

In game number one in Wabamun, Onoway defeated the hosts by a 6 - 4 count. Leading the attack for the visitors was Al Bourke with three goals and two assists. Other goals scorers were: Duane Thompson, Arnott Wilson and Ernie Massey. Replying for the Earl Elliott-coached crew were Danny Wichuk, Ray Daniels, Lonnie Elliott, and Gerard Specht. Randy Cross came up with two helpers in a losing cause.

In game number two at Onoway the host club eleiminated Wabamun by a 10 - 8 count, with Al Bourke once again doing most of the damage. He netted four goals with Brian Larocque sniping three and adding three helpers. Other scores were Captain Frank Schultes for 2 goals and Ernie Massey a singleton. Massey also chipped in with two assists. Leading the Wabamun attack was Danny Wichuk and Gerard Specht. Wichuk scored three times and collected two assists. Specht was the top pointman with two goals and four assists. Other scorers were Ron Cross and Ray Daniels, two goals and one goal respectively.

Onoway will now meet either Stony Plain or Tomahawk in the finals. Stony Plain defeated Tomahawk 5 - 0 in the first game and the second was scheduled for Evansburg on March 18th.

EVANSBURG NEWS

School news this week is very cheering indeed. The Grade IX pupils have finally left their final exams behind and now have need only to wait for the results.

Students from Grades nine to twelve were taken by bus to Edson last week to attend career day. Many interesting talks and demonstrations were observed by the students who really enjoyed their trip.

Members of the Agricultural Society held their meeting recently at the home of Mr. and Mrs. M. Mazeppa. Business regarding the fair books was concluded and plans were made for the publication of the book.

The members of the two 4-H Clubs held their meeting recently also. Plans were made for a beef judging day to be held in the Easter holidays and plans were also made for the club members to go to the Edmonton Rodeo.

The Group Committee for the Cubs and Scouts held its meeting at the home of Mr. and Mrs. Aspeslet. The Committee welcomed Mr. Norbert to the group as Assistant Scoutmaster. Discussions were on the building and outfitting of patrol boxes for the Scouts and plans were continued for the proposed trip for the Cubs to Edmonton.

This week, we have news of the Brownie Pack just recently formed in the village. On February 10th, the 1st Brownie Pack of Evansburg were enrolled. One of their first projects is a candy sale that was held on the 19th of this month. The Pack Leader is Miss Jukoski, assisted by Mrs. Donna Mae Mitchell. Members of the local association for the pack were organized last November. They are: President, Mrs. Hilda Boychuk; Secretary, Mrs. H. Krasowski; Treasurer, Mr. Payne; Badges, Mrs. Chernichan. The committee met on the 9th of March to discuss plans for the Brownies. There are about 15 little girls in the pack and they meet every Thursday at the Evansview School, directly classes are over. New members will be welcomed to the pack.

The United Church Women would like to remind everyone that Easter Service will be held in the United Church at 2:30 p.m. on Easter Sunday.

Get well wishes are sent to Mrs. Maria Schenzielorz who is hospitalized this week.

Sympathy of the district to to the Lewiski family on the death of Mr. Steve Lewiski.

Then there was the cow that went through the Dating Bureau and got a bum steer.

Regional Library Gets $15,530 Grant

Hon. Ambrose Holowach, Provincial Secretary, presented a $15,530 establishment grant cheque on March 17 to the Parkland Regional Library, with headquarters at Lacombe, to assist it in its expansion into Mountain View County.

In operation since 1959, covering three counties and one school division in Central Alberta, the province's only regional library has recently expanded its southern boundary to include Mountain View. To encourage the establishment of regional libraries, the Provincial Government pays a region an establishment grant of $1 per capita.

With the addition of this area of 15,530 population, the Parkland Regional Library is now serving a population of over 70,000. Other areas in the regional organization are the counties of Lacombe, Ponoka and Red Deer (excluding Red Deer City) and the school division of Rocky Mountain.

From its Lacombe headquarters, the Parkland Regional Library channels service through 17 public libraries and 52 school libraries. Its book stock now totals 200,000 volumes, and its 1969 circulation was over 812,000.

Establishment of regional libraries is provided for in the Alberta Libraries Act, administered by the Libraries Division, Cultural Development Branch, Department of the Provincial Secretary. In rural Alberta, the regional organization provides a larger supporting population for operation of a library, making it possible to give better service. A regional library is maintained by an annual grant from the Provincial Government of 75 cents per capita, and contributions from participating jurisdictions of $1 per capita.

Two more areas of the province are now investigating the possibilities of establishing regional libraries.

ENTWISTLE NEWS

Mr. Berglaund is out of the hospital and returned to his home on Saturday, March 14th. We all hope that you will soon feel well enough to get out and enjoy the spring weather.

Two Entwistle rinks curled in the Wildwood Ladies Bonspiel on March 13th, 14, and 15th. The Messenger rink won third place in the first event and the Swinnerton rink won third in the second event We all enjoyed the curling very much.

Mrs. Ann Greaves spent several days visiting Meg and Jack Swinnerton. It was good to see you once again Ann.

Mrs. Polly Hofmann won half of the small Jackpot at the Elks Bingo on Friday, March 13th. Mrs. Mitchell of Evansburg won the other half. Their next bingo will be held on April 10th.

The Entwistle First Brownie Pack held a very successful Tea and Home Bake Sale on Saturday, March 14th. As the weather was beautiful a fair crowd turned out for it. The Leaders wish to thank all who donated and to the Elks for the use of the Hall.

Mrs. Betty Sutherland and Mrs. Dot Carr who are Leaders of the Brownies attended the Guiders Training Seminar which was held in Red Deer on March 7th and 8th They found this course very good and a great deal was learned. We are very grateful that they could attend.

Darcy Deardoff had the misfortune of breaking his foot one day last week. With it in a cast he now hobbles to school on crutches We hope you will not be too long in that condition Darcy so look on the bright side.

Debbie Nelson won the Secretaries Award of the best Secretary Book in 4H work for 1968-69. This is the third time that the Entwistle Clothing Club has won it. It was presented by Mrs. C. Wood at Stony Plain on March 7th. As Debbie was not present her sister Jacquie accepted the award. Congratulations Debbie for bringing another award to the 4H Club of our village.

BUCK CREEK NEWS

Get well wishes to out to Mrs. Norma MacDonald and Mrs. Irene Mussell who are both patients in the Drayton Valley Hospital, after having undergone surgery.

Mr. Al Lee is home from the Breton Hospital after having spent some time there.

The Social and Dance planned by the Community Club has been postponed to April 11th.

The Community Club Bingos will get underway April 9th. There will be 15 games each night with one extra game for a silver pot and a jackpot will also be played for.

Mrs. Norma Malin spent last weekend at Plamondun where Pembina Sand and Gravel have their camp.

The last meeting of the B.C.W.W. was held at the home of Mrs. Eunice Kiland. The next meeting will be held at the home of Mrs. Gladys Stec.

James Gaudets curling team won first in the second event at Wildwood in the Wildwood Junior High School Bonspiel.

It was moved and carried that the recommendation of the Superintendent on the Careers Day be accepted and that the Memorial High School students be authorized to travel by school bus to St. Albert on the condition that they each pay 50¢ towards expenses.

WAKE-A-THON

Mrs. A. C. Kritzinger presented the following proposal for a Wake-A-Thon to be held at the Memorial Composite High School in Stony Plain:-

It was moved and carried that the proposed Wake-A-Thon in the Memorial Composite High School be approved subject to the following conditions:-

(a) That this proposal be approved by the school staff.

(b) That smoking be not allowed except in designated areas as allowed during ordinary school hours

(c) That the teen dance be not made open to the public.

It was moved and carried that admission rates for the Edmonton Symphony concerts to be held in Stony Plain on April 16th and Drayton Valley on March 19th be set at $1.00 for students and $1.50 for adults.

SEBA BEACH DELEGATION

A delegation from Seba Beach consisting of Mr. J. Millar, Mr. B. Lenz and Mrs. Yates came to see the School Committee regarding the water in the Lower School in Seba Beach. They presented a letter from the Drayton

(Cont. on Page 16)

Weekly Livestock Report

The Edmonton Weekly Livestock report for the week ending March 21, 1970 provided by the Livestock Division, Canada Department of Agriculture

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	6300	4550	1750	3000	60
Last Week	6164	4400	1764	2893	301
Same Week (1969)	6937	5464	1473	1229	229

SUMMARY

This weeks receipts were slightly above last weeks due to fine weather and a good demand for all classes. Offerings were approximately 75% replacement classes with the remainder comprising mostly slaughter steers, heifers and cows of mixed quality. Trade active throughout. Slaughter steers were generally 50 to 75¢ higher. Good cows $1 higher, with medium and lower grades $1 to $2 higher. Bulls up 50¢. Veal $1 to $2 higher. All replacement classes steady to firm.

Slaughter Cattle & Calves:

Slaughter steer trade opened on a firm basis with sales ranging up to 31.80 for 1100 lb. weights. High yielding clean handyweights topped 32 in closing sales. Butcher heifers were in good demand selling to $30 at mid week for 950 lb. weights. Top quality mini heifers were scarce in closing sales but rated steady with sales to 30.10. Good butcher cows advanced about $1 during the week with the odd sale to 24.50 as the week closed. Medium and lower grades were in demand for slaughter and for stockers, and sold strong $1 to $2 higher. Bulls 50¢ higher with sales over 27 for export types. Veal claves were $1 to $2 higher topping 54 for choice light vealers. Butcher calves higher.

Replacement Cattle & Calves:

There was practically no change in replacement prices this past week. All classes were in short supply selling at firm prices throughout the week. There were sales to $39 for some 600 lb. good conditioned well bred steers and to $32 for steers over 1050 lbs. Stock calves were fully steady with light weights over quotations.

Shipments:

Out of Province shipments last week were: East 58 for slaughter 170 feeders. West 405 for slaughter. Export 52 cattle and 195 hogs. Feeders to Southern Alberta 1565.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

Choice steers 31.25 to 31.75, sales to 32. Good 30.50 to 31. Medium 29 to 30.50. Choice heifers 29.50 to 30, Good 28.50 to 29.50, medium 26.50 to 28.50. Good cows 23.50 to 24, sales to 24.40. Medium 21.50 to 23, Canners & Cutters 19.50 to 21. Shells 16.18. Good bulls 25.50 to 26.50, odd sale higher.

REPLACEMENT CATTLE AND CALVES

Good feeder steers (750 and under) 34 to 38, (750 and up) 30.50 to 34, Common to medium 28 to 35. Good feeder heifers 29 to 34, according to weight, Common to medium 24 to 29. Stock cows 20 to 27. Good stock steer calves 37 to 46, according to weight, Common to medium 33 to 38. Good stock heifer calves 33 to 38, according to weight, common to medium 30 to 35.

SLAUGHTER CALVES

Good to choice veal (350 and under) 48 to 54. Butcher calves (350 to 450) 40 to 48. (450 and up) 32 to 40.

HOGS

Butcher hogs Base Price Edmonton Stockyards Monday 32.55 to 33.20. Tuesday 32.40 and 32.45. Wednesday 31.75 and 31.80. Thursday 31.65. Sows ranged from 26.55 to 27.30 dressed weight. Good boars $17 per cwt. 800 feeder hogs sold Tuesday and Thursday afternoon at lower prices, ranging from 34.25 per cwt. for 90 lb. feeders down to 24 per cwt. for 150 lb. feeders. Weaners and extra light feeders sold by the head from 12.25 to $30 each.

SHEEP & LAMBS

A few good to choice butcher lambs sold at $30 per cwt. less 3% shrink.

COUNTY OF PARKLAND No. 31

For Sale by Tender

Tenders are invited for sale of the following County owned property: -

Lots 6 & 7, Block 2, Plan 4180R. in the Townsite of Stony Plain including the old Municipal Office Building.

Sealed tenders accompanied by a certified cheque or money order for 10% of the tender amount will be received by the undersigned up to 5:00 o'clock p.m., Friday, April 24, 1970. The balance to be paid within 30 days after acceptance of the tender.

The highest or any tender may not necessarily be accepted.

SECRETARY-TREASURER,
County of Parkland No. 31,
Stony Plain, Alberta

SIGN UP FOR "PEP" AND PAY THE SAME AMOUNT EACH MONTH FOR GAS SERVICE

PAYMENT EQUALIZATION PLAN

Our PAYMENT EQUALIZATION PLAN provides a convenient method of paying your regular monthly gas bill in equal installments during the year. Under this plan, your gas bill payments never vary. Your annual gas consumption is calculated, the total cost divided by 12, and you pay this amount each month — building up a reserve in summer for the higher bills of winter. Actual consumption is of course recorded monthly, and noted on your bill — and adjustment to actual consumption is made every 12 months. It is available to all customers on request. May is the month such regular payments normally are started — so we invite interested customers to contact us now.

"Did'ja see a little black disc fly by, Mister?"

Regular Meeting School Committee

(Cont. from Page 15)

Valley Medical Centre supporting their allegation that the water was not suitable for consumption by school children. This matter was discussed with the delegation at great length and they were assured that the School Committee will take appropriate action immediately.

Mr. W. G. Wilson reported on E.T.V. for the County schools. He recommended that special antennas for Channel II be installed in the various schools.

SUPERVISOR'S REPORT

Mr. E. W. Hillyer presented the following report to the School Committee:-

1. A letter received from Mr. Maurice Allen, Caretaker at Lodgepole School, requesting a salary increase from $360.00 per month to $500.00 per month.

This is based on the fact that he does all the maintenance with the exception of major breakdowns.

INFORMATION - Duffield Library is being plastered, so it will not be long now before the painter can move in. The rug has been ordered at a total cost of $498.27 including the glue. Seba washrooms are completed with the exception of painting which will be done soon. Layout plan has been received for the Industrial Arts Shop at Drayton High. So the new equipment will be installed as soon as tradesmen are available. Stony Plain Electric will be instal ling speakers in Seba Beach Gym.

It was moved and carried that Mr. Maurice Allen's request for an increase in salary be referred to the Committee (which is presently studying all Caretaker's salaries) for consideration.

SALARY NEGOTIATIONS

The School Committee was informed that Mr. Arnold Motley of Czar has been appointed to represent the County on the Conciliation Board in Teachers' Salary Negotiations. A date for a meeting has not been set as yet.

Mr. Stan Hodgson came to see the School Committee regarding a price for the proposed addition to the Spruce Grove School. H.D.C. Construction Co. Ltd. presented the following tender for the project:-

Since the gross area of the proposed addition is 15,600 square feet, the tender is at the rate of $14.47 per square foot and is exactly within the limits of the School Buildings Board regulations. This tender could be accepted by a Change Work order and would not require the signing of another contract.

It was moved and carried that the Architect be instructed to issue a Change Work Order in the amount of $225,767.00 to the Department of Education for approval as soon as possible.

It was moved and carried that a letter be sent to Sully & Michaels advising that no invoice was ever received from Don's Garage in the amount of $13.00 and if and when an invoice is received payment will be made accordingly.

It was moved and carried that Leslie Bryant of Keephills be given sabbatical leave for the 1970-1971 school year, subject to approval of the Superintendent of Schools.

It was moved and carried that the matter of the water supply for the Seba Beach Lower School be referred to Mr. George Mann and Mr. E. W. Hillyer for attention.

ADMINISTRATION SEMINAR

Information was received that the A.S.T.A. Administration Seminar is to be held in the MacDonald Hotel in Edmonton on April 2nd, 3rd and 4th.

It was moved and carried that the following be authorized to attend the A.S.T.A. Administration Seminar in Edmonton on April 2 - 4, inclusive:-

Mr. J. W. Tyler, Mrs. Elizabeth Howery, Mr. Ivan Vowk, Mr. George Mann, Mr. L. N. Miller, Mr. R. Zander, Mr. O. W. Schuster, and Mr. A. W. Boychuk.

It was moved and carried that a committee consisting of Messrs. R. Zander, Ivan Vowk and J. W. Tyler be authorized to meet with officials of the Town of Drayton Valley regarding the relocation of the oil line across the proposed school site in Drayton Valley, Mr. J. W. Tyler to act as Chairman.

Mr. L. W. Kruger again requested additional telephone facilities for the Memorial Composite High School.

It was moved and carried that Mrs. A. C. Kritzinger and Mr. Peter Bakker be delegated to visit the Memorial High School in Stony Plain regarding additional telephone requirements.

The School Committee was informed that the Assistant Secretar Treasurer, A. W. Boychuk, has been appointed to the President's Advisory Committee for the Association of School Business Officials of the United States and Canada and he will be obligated to attend the annual convention in Seattle from October 17th to October 23rd, inclusive.

It was moved and carried that A. W. Boychuk be allowed $240. to help defray his expenses in attending the A.S.B.O. Convention in Seattle in October.

SCHOOL BUS LOADING SPRUCE GROVE

Mr. George Mann submitted a report on school bus loading at the Spruce Grove School and the report accepted for information.

February 20, 1970 - 3:30 p.m. "First observation by George Mann It appeared that some better arrangement of loading pupils on buses would help prevent the possibility of a child being run over by a bus or a private car that park and pick up pupils at the same time as the buses do. When the buses had all left, I talked with Mrs. Howery and Mr. Ursel, the Principal. I suggested that in order to keep the loading area free of private cars picking up children who dart in between the parked school buses, we ask the R.C.M.P. to enforce two "No Parking" signs; one at each entrance to the loading area. I visited the R.C.M.P. in Stony Plain and asked them to do this, but I was told that they do not enforce County By-laws. Mrs. Howery thought that she could contact the Attorney Generals Department and get the R.C.M.P. to do this for us.

After a chance meeting at the County Office with Mr. Ev Hall of Spruce Grove, he suggested tha he thought that if we could load private cars at the north side door and south side door of the School, the Spruce Grove Council would be more sympathetic towards a By-law to enforce this. Further to this, he thought the Council would not write a By-law forcing private cars to pick up children outside of the school grounds parked on the road.

On February 24, 1970, 3:30 p.m. Mr. Vowk and myself were at the Spruce Grove School to ask the bus drivers to angle park when loading at 3:45 p.m. instead of a single line paralleling the east side of the school.

The Bus Committee would also recommend that a 4 or 5 foot steel wire mesh fence be erected on the fence line between the north and south entrances to the school property.

Also the Bus Committee would recommend that the County of Parkland School Committee discuss our problem, re a By-law, with the village of Spruce Grove Council." --I. Vowk, George Mann.

REPORT BY MRS. ELIZABETH HOWERY

Mrs. Elizabeth Howery submitted the following report:- "Jan. 6 I was appointed to take necessary action re Mr. C. Ursel letter Dec. 19. - On evening of 6th, I consulted with Mr. Ursel and signs were designed. - Jan. 7 - Signs were ordered from Maintenance Department. - Feb. 10 - Signs were erected. - Approximately Feb. 20, Mr. George Mann attempted to get help for enforcement through R.C.M.P. Found they were unable to do so - Needed By-law passed by the Village. - After research through Attorney General Department, Mr. B. C Cassin and R.C.M.P., Mr. Ted Hesch, it was learned we had two alternatives for enforcement of signs; Prosecute under No. Trespassing Act or Village pass a By-law. The second alternative was recommended by both authorities - Feb. 26 - Through Village Sec. Treasurer and Consultation with Councillor in charge of Protection to Persons and Property, A. E. Goebel asked for appropriate By-law to be considered at their evening meeting. No action taken. - March 3 - I learned that during the previous day, members of the Village and County Councillors discussed this problem and agreed to an alternate plan. - March 9 - I attended the regular meeting of the Village Council and found Councillors split and are deliberating their decision and are seeking legal advice on this matter. - Considering that this matter originated with a letter by Mr. Ursel, Dec. 19, and in that it would now appear impossible to implement the intention of the Committee as expressed during the meeting of Jan. 6, it is my recommendation that this matter be referred to our Solicitor for advice as to procedure."

It was moved and carried that Mr. L. N. Miller be added to the Committee to work with Mrs. Elizabeth Howery regarding unauthorized vehicles on the Spruce Grove School Grounds.

RAMONA NEWS

We would like to welcome three new members to our community league. They are Vicki and Fred Romanchuk and Lil Vadheim. We are looking forward to having you take part in our many community affairs. Our meetings are held on the first Tuesday of every month at 8:00 p.m. Our next meeting will be April 7th. If you would like to join our club just come to a meeting or get in touch with any member of our community.

A good crowd attended the supper and dance held at the Ramona Hall on Saturday evening. Music was supplied by the Kay-O's. The lucky winner of the door prize was Mary Kmyta, congratulations Mary.

Get well wishes to to Mr. Blatkewicz who is in the Drayton Valley hospital. We hope you are home soon.

Cecil Kelly and Duane Kmyta were home for the weekend.

Kleanor and Keith Davis drove to Maidstone, Saskatchewan on the weekend to attend the funeral of a very good friend of the family

Visiting at the Davis home last week were Eleanor's brother, Cecil Ennis and Keith's brother and cousin, Roy Davis and Gary Newton all are from Saskatchewan.

Happy Easter Everyone.

Spring Thaw

This spring thaw photo indicates that we can't be far from the welcome change in seasons. Further evidence of the return to spring is apparent in the large fields around town where youngsters have kites of every description flying in the brisk breezes. Crows and ducks have been reported and the spring calf crop is well on its way at area farms and ranches.

Ranger Council Meets in Drayton

The Drayton Valley Rangers were proud to host the Alberta Provincial Ranger Council meeting here on March 14th and 15th.

There were one hundred and twenty-two representatives from about thirty Ranger Companies, Crews, and Flights in the Province. This was only representations from about half of the Companies in the Province.

The weekend started out bright and early on Saturday for the Drayton Valley and Devon Rangers. Decorations were put up and a million last minute details kept the girls busy until noon when the buses from Edmonton area and Calgary area arrived.

During the afternoon one of the girls from Edmonton who had been to Norway last year showed her slides. This was followed by discussion groups and various activities.

A delicious supper was enjoyed by all and then a treasure hunt was held in the Lion's West Valley Park where the Rangers made various attempts at staying dry, then gave up completely and surrendered to snow ball fights.

Sunday dawned bright with a pancake breakfast. The Rangers took a short walk before Rangers' Own.

After Rangers' Own was the most important part of the weekend, the Business Meeting. Laurie McNicoll, the President of the Council, chaired the meeting and many useful suggestions were brought forward.

The Drayton Valley Rangers would like to thank very much all of the ladies who cooked turkeys, cabbage rolls and rice and also all organizations and stores who helped us out during the weekend. They would also like to thank the Devon and Wetaskiwin Rangers for all that they did.

Rotary Calendars Still on Sale

Members of the Drayton Valley Clipper Hockey Club have been busy with Rotary Calendar sales during the past two weeks. The Clippers earn a percentage of the sales and the balance will be put into community projects by the Rotary Club, as in the past.

The hockey players making the canvass report, however, that many people were not home when they called. Anyone who was missed and would like to be listed on the calendar is asked to phone Orest Haydey at 542-4008.

THE RED CROSS IS PEOPLE LIKE YOU HELPING PEOPLE LIKE YOU

Evansburg Group Plans Resolutions

The regular monthly meeting of the Evansburg C.W.L. was attended by six members and Rev. L. Gartner.

Many thanks to all ladies of all denominations for coming to the World Day of Prayer and making it such a wonderful and successful event. Special thanks to Mrs. Annie Graham, who read the history of the council. She also spoke on foreign missions which gave all food for thought.

Ladies don't forget the annual National C.W.L. Convention to be held at St. Albert on April 10th 11th and 12th.

Mrs. Cumming read the resolutions that are to be presented to the convention, and these were thoroughly discussed for further approval when voting takes place on the matter.

The C.W.L. president Mrs. Unger asks all conveners to please hand in their annual reports by the end of March.

The Red Cross canvassers are still busy and will be seeing you.

D. V. Highlights

By Mrs. Edith Deby

Mr. and Mrs. Peter Van Der Wiede have returned from their Mexican holiday looking very tanned and fit.

The Lutheran College Choir appeared on T.V. on March 15th. Gordon Pickup is a member and has been out on tour with the company. In 1971 the choir plan a tour of Europe and although Gordon will be in his third year of Education at Edmonton he will be travelling with the Camrose Choir.

Mr. and Mrs. Fred Seutter left March 18th for a two week holiday at the coast. They will be the guests of Mr. and Mrs. Gillis Johanneson at White Rock.

Mr. and Mrs. Manuel Schultz are also sporting beautiful sun tans. They have the Hawaiian kind.

Get well wishes go to Mrs. Ruby Schramm who is in an Edmonton hospital.

Reverend and Mrs. Gordon Ingram and family will be leaving Drayton Valley in July to live in Edmonton were Mr. Ingram will take charge of St. Phillips. In the eight years they have lived in our town the Ingrams have made many and varied contributions to the life of the community and will be greatly missed.

Mr. and Mrs. Vern Bartlett will be returning soon to farm in the area. Vern has been in charge of an elevator at Clandonald but has decided that farming is the life for him.

Mr. Felix Gurnick has been in the Royal Alexandra Hospital for several months but friends report that she seems to be a little better and we are all hoping she will be able to come home in the not too distant future.

Mr. Ian Hoyland is an orthopedic patient in the Royal Alexandra Hospital and is likely to be there for ten days.

Piano Recital Held Sunday

A piano recital by pupils of Mrs. A. E. Raven was well received Sunday afternoon when parents and friends gathered at the Legion Hall to hear the young students.

The program opened with Miss Claire Marie Telford playing O' Canada, followed by a choral group, made up of the piano students accompanied by Mrs. Raven on the piano. They sang selections from "The Ballad of Smokyy the Bear" and Hans Christian Andersen. Brian Telford acted as master of ceremonies for the first half of the program with Terry Horne doing the honors in the second half.

Music pupils taking part in the recital were: Joy Meraw, Claire Marie Telford, Michaelle Shimbashi, Carol Gill, Terry Horne, Alayne Tyler, Joan Gill, Gerald Krabbe, Diane McMahon, Sandra Shimbashi, Jani Anne Horne, Dean MacDonald, Antoinette Krabbe, Dinene Tyler, Donald Armstrong, Cathy Horne, Rhobin Shimbashi, Brian Telford, Heather Ramshaw.

On behalf of the pupils Miss Joy Meraw presented Mrs. Raven with a beautiful potted plant for which she expressed her thanks.

The afternoon was brought to a close by Miss Jari Anne Horne playing God Save The Queen.

THE TOWN OF DRAYTON VALLEY
PUBLIC NOTICE

Pursuant to the provisions of Section 145 of THE MUNICIPAL TAXATION ACT, PUBLIC NOTICE is hereby given that the Council of the Town of Drayton Valley intends to undertake the installation of extensions to the Town Waterworks System and the making of service connections thereto as a local improvement. The estimated cost of the aforementioned local improvement is $11,000.00 repayable over a period of fifteen (15) years at a rate of interest not exceeding ten per centum (10%) per annum and to charge the lands abutting that portion of the street or place wherein the local improvement is made at a uniform rate of fifty-six (.56) cents per front foot of frontage per year over the said period of fifteen (15) years.

All cost in excess of the aforementioned rate per front foot will be borne by the Town at large.

The location of the proposed local improvements is as follows:

PROPERTIES TO BE ASSESSED:

	ON	FROM	TO	FRONTAGE
(a)	Block 58	Lot 25	Lot 14	678.00 feet
(b)	Block 58	Lot 26	Lot 29	295.50 feet
(c)	Block 58	Lot 13	Lot 1	784.50 feet
	Total lineal feet of frontage			1,758.00 feet

Notice is further given that unless the majority of the owners of the lands that may be assessed therefor, representing at least one-half in value thereof as aforesaid, petition the Council against it within two weeks after the last publication of the notice, the local improvement may be undertaken and the cost thereof assessed by the system of assessment referred to in this notice.

If no petition sufficiently signed has, within the time limited in that behalf, been presented to the Council against the local improvement as assessment aforementioned, the Council may undertake the proposed local improvement at any time within three years of the giving of the notice.

Date of the last publication of this notice will be the 1st day of April, 1970.

Town of Drayton Valley,
March 23, 1970

THANK YOU

The Dunnington Ladies Group would like to thank Mr. Howard Jevne of Al's Sports Shop for displaying their quilt and selling tickets. The winner was Dan McDonald of Lodgepole.

We would like to thank our son Wesley and wife for the lovely party honoring us on our 50th Wedding Anniversary. Thank you to our relatives and friends for the lovely gifts and a special thanks to Mrs. Robert Johnson for making the lovely cake. Thank you one and all.
John and Violet Kennedy

I would like to thank my family for the nice dinner party held on the occasion of my 86th birthday.
Mrs. Hilder Oberg

Our expression of sincere thanks to Mr. Tom Coles, our coach, from all the boys of the Rotary Hockey Team.

We would like to thank all our friends and relatives for the lovely party and gifts we received last Saturday. Also to those who provided the music and the ladies group who helped with the supper.
Dorothy and Russell Davis

LIBRARY NEWS

Thanks to Mrs. Naomi Jordahl for her gift of "Fire from Heaven" by Mary Renault.

Note to Mrs. Cull. "Strumpet City" was written by James Plunkett.

Several new books arrived for juveniles this week. There are three new Enid Blyton "Five" books, a nurse story by Patti Stone, and two new books on science.

"The Temple" by Arkady Leokum tells of the problems facing a young rabbi in New York city. The latest mystery is "Hildegarde Withers Makes the Scene" by Stuart Palmer and Fletcher Flora.

Our readers say: Mrs. Arthur Durham of "A Jet of God" by Margaret Laurence "I really like her books"

Mrs. McKillop of "The White Rose" by Jan Westcott "Book show that the author has done a tremenduous amount of research"

Mrs. Boxrud of "The Naked Ape" by Desmond Morris "Revealing"

Larry Smith of "Jubilee" by Margaret Walker "Book really gave the negro point of view on slavery. Held my interest".

The library will be closed on Good Friday. During Easter Week regular hours will be observed except that since school is closed the library will not be kept open at noon.

Sundance Club Meets

The Sundance 4-H Garden Club held its regular monthly meeting at the home of Mrs. Bobryk on Monday, March 16th.

The roll call was answered by "My Favorite Vegetable" and all members were present.

The members were very sorry to hear that Debbie Robinson, the secretary of the Pee Wee Club had to resign, as she will be moving from the district in the near future. The Pee Wee's new secretary, who was duly nominated and elected is Valerie Korsa. The club also has a new Pee Wee member, Connie Welch.

Club leader, Mrs. Charlet announced that she had booked the "Country Pals" for the dance to be held on June 26th. It was decided to charge $1.50 for admission.

Regarding the Rodeo, those wishing to attend were adked to give their money to Mrs. Charlet by Thursday.

Laura Blair then gave a talk on "Conduct of a Business Meeting". Raffle tickets were handed out to the members for the raffle to be drawn at the dance on June 26th.

A very nice lunch was served by Mrs. Bobryk and enjoyed by all following the meeting.

Next meeting will be held at the home of Mrs. Wiltse on Monday, April 20th.

EVERYBODY'S MARKET PLACE

Good Results At Evansburg

Fifty-nine papers were written at the Evansburg High School in the First Semester Grade XII Departmental Examinations with the following results: A - 5, B - 25, C - 20, D - 9, F - 0. (Note that A, B, C, D, F, now replace the old H, A, B, C, D system so that A = 80 to 100%, B = 65 to 79%, C = 50 to 64%, D = 40 to 49%, F - 0 to 39%)

One student completed his senior matriculation at this examination, graduating in two and one-half years instead of the usual three years--a "first" for this school and a "first" for the Yellowhead School Division. To do this means that a student must complete at least one Grade XII subject in the second (grade XI) year of Senior high school.

Several present Grade XI students are currently enrolled in Grade XII subjects and may be expected to follow in this pioneer's footsteps.

VETERINARY TRAINING

The Alberta Veterinary Services Division frequently receives inquiries about the type of training needed for becoming a veterinarian and where this training can be obtained.

A degree in veterinary medicine requires six years of training. Two years, which might be termed pre-veterinary medicine, may be taken at any university or junior college which provides the required subjects. First year students must take agriculture 202, biology 130 or 230, chemistry 202, English 210, mathematics 240, statistics 241, physics 100 or an elective and physical education. Required subjects for second year students are biology 230 or zoology 320, chemistry 350, economics 200, genetics 351 and physics 200. The remaining four years must be taken at a university which has a faculty of veterinary medicine or a recognized veterinary college.

At the present time 78 Alberta students who intend to pursue a career in veterinary medicine are taking the required courses at various colleges and universities throughout the province. Sixty others are attending the Western College of Veterinary Medicine at the University of Saskatchewan in Saskatoon and another 12 are enrolled at the Ontario Veterinary College at the University of Guelph in Guelph, Ontario.
